Is this application, or a related application, currently being submitted elsewhere?

- Yes
- No

If yes, to which organisation?

By what date is a decision expected?

Has this application, or a similar application, been submitted elsewhere in the last two years?

- Yes
- No

If yes, to which organisation?

What was the result?

Where relevant, have you obtained support from within the breed concerned?

- Yes
- No

Please comment as appropriate

Please attach a detailed description of the research project. This should occupy no more than 3 sides of A4 (single-spaced, 10pt Arial) and should include the following headings: (i) Aims and objectives of the project (ii) Work which has led up to the application (iii) Protocols and methods used (iv) References. If the application involves work under the Animals (Scientific Procedures) Act (1986) this must be clearly stated and rigorously justified. Institutional ethical approval must be confirmed.

## Declaration

### Principal Investigator

I confirm that I shall be actively engaged in the day-to-day direction of the project. All details in this application are correct to the best of my knowledge. I can confirm that I shall acknowledge the support of the Kennel Club Charitable Trust in all publications and presentations arising from this work.

I confirm by ticking this box

### Head of department

I have read and support this application. I agree to the project being carried out in my department.

Name & position: \_\_\_\_\_

I confirm by ticking this box

### Senior officer responsible for administering the grant

I will ensure that grants awarded to this project are used for the purposes for which they are given. The finances of this organisation, including welfare grants, are subject to formal periodic audit. It is intended to maintain support for the department in which this project will be conducted during the proposed period of study.

Name & position: \_\_\_\_\_

I confirm by ticking this box
